

# OUR PLANT RELATIONS WALKING MAP

Enjoy a self-guided tour of native plants at the University of Alberta's Augustana Campus. Follow the interpretive signs marked on the map and learn about plants from diverse Indigenous perspectives and languages. This tour is an accessible activity for people of all ages and takes approximately 20-30 minutes to complete.

Please DO NOT pick any of the plants, as there are cultural teachings associated with harvesting them. Take pictures and notes instead!
