

Psychology and Mental Health

(Brain and Behaviour)

Curious about how we form attitudes, cope with stress, or how people recover from brain injury? Explore diverse psychological theories, master the scientific method, and sharpen your critical thinking. You'll earn certificates in brain research or community mental health, all while gaining hands-on experience through volunteer work. Learn more at uab.ca/AugPrograms

Your Academic Requirement Report in Bear Tracks shows your progress and provides complete details on your program. Not every student's path will be this linear. You may choose to take a lighter course load, take time off or participate in extracurriculars that will extend your program time. We recommend speaking to a student advisor about planning your degree. **Learn more at uab.ca/AugSAS**

Psychology and Mental Health

(Brain and Behaviour)

Check out these degree-enhancing opportunities:

Make the most of your degree by taking advantage of these unique opportunities:

Brain Story Certification
