AUGUSTANA PROJECT-BASED CORE:

Learn the skills needed to succeed in university and create projects while gaining real working experience. Learn more at uab.ca/AugCore

AIDS 101 (Fall 3-week)

The First-Year Seminar prepares students for university by teaching critical analysis, academic writing and fostering community involvement, enhancing career skills in various areas.

Collaborative Seminar (Fall 11-week)

Develops teamwork skills through multidisciplinary projects, enhancing career readiness in project management, communication, and teamwork.

*Your Academic Requirement Report in Bear Tracks shows your progress and provides complete details on your program. Not every student's path will be this linear. You may choose to take a lighter course load, take time off or participate in extracurriculars that will extend your program time. We recommend speaking to a student advisor about planning your degree. **Learn more at uab.ca/AugSAS***

Student must present a 2.3 GPA on their first two years of study to move up to the Faculty of Education for their 3rd and 4th years.

Elementary Education

Check out these degree-enhancing opportunities:

Make the most of your degree by taking advantage of these unique opportunities:

Classroom Observation

Spend up to 20 hours in local classroom observing and assisting teachers with their classes as part of AUEFX 200.

Community Service-Learning

Get hands-on experience with sports teams, athletic services, or with a physiotherapist.

Short-Term Trips

Explore and connect with individuals from around the world with trips to places like, India, Greece and the USA.

Field Experience

3rd- and 4th-year field experience courses spending multiple weeks practicing and honing your teacher competencies.
