AUGUSTANA PROJECT-BASED CORE:

Learn the skills needed to succeed in university and create projects while gaining real working experience. Learn more and see courses at uab.ca/AugCore

AUIDS 101 (3 units, Fall)

The First-Year Seminar prepares students for university by teaching critical analysis, improving academic writing, fostering community involvement, and introducing career skills.

AUIDS 401 (6 units, Fall & Winter)

Students gain the skills and knowledge needed to work professionally with community partners, while reinforcing their ability to work collaboratively on a project. Students will also gain the skills and tools to market the knowledge acquired in their degree in competitive job markets.

*Your Academic Requirement Report in Bear Tracks shows your progress and provides complete details on your program. Not every student's path will be this linear. You may choose to take a lighter course load, take time off or participate in extracurriculars that will extend your program time. We recommend speaking to a student advisor about planning your degree. **Learn more at uab.ca/AugSAS***
