Student ID	Student Last Name, First Name	e		
Department			Degree Program	Program start date
 I wish to change to part-time registration status I am currently a part-time student and wish to change to full-time registration status 				
Effective term change term				
This form must be submitted prior to the registration deadline of this term. Late or retroactive requests will not be accepted.				
To be eligible for a change to part-time status, students must fall into one of the following categories: O I have been offered or have full-time employment (provide proof of employment) O I have medical/family/other circumstances that now prevent me from working on my program full-time (provide supporting document)				
 Students must still satisfy the Minimum Registration Requirements of their program. Where programs do not permit part-time registration, students will be required to follow their program regulations and are ineligible to apply for part-time status. International Students may not be eligible to apply for part-time status under their study permit regulations. Contact International Student Services for more information. Part-time students are not eligible for most scholarships or awards administered by GPS. For those students holding a scholarship and/or award while registered full-time, a change to part-time status may affect their eligibility to continue doing so. Part-time students are eligible to hold GTAs and RTAs; students who have signed a Letter of Appointment may not be eligible for part-time status. Students should contact their departments for further information. Students may not change to part-time status for financial reasons. Students may not change to part-time status more than once within their program. Once a student changes to part-time status, they may return to full-time status once, but cannot subsequently revert back to part-time. Date (MMM DD, YYYY)
