Postgraduate Medical Education (PGME) Committee Terms of Reference

Office of Accountability:	Faculty of Medicine & Dentistry (FoMD)
Office of Administrative Responsibility:	Postgraduate Medical Education (PGME)
Approver:	Dean's Executive Committee (DEC)
Classification:	Terms of Reference
Scope:	Members of the committee

Overview

Under the authority of the Faculty of Medicine and Dentistry, reporting through the Vice-Dean Education to the dean's executive committee, the Postgraduate Education Committee is the authority through which Postgraduate Medical Education Programs operate.

Purpose

The purpose of the committee is to facilitate governance and oversight of all residency programs and to support the Associate Dean, PGME in planning, organizing, and evaluating all aspects of accredited residency and Area of Focused Competence (AFC) fellowship education.

POLICY

1. RESPONSIBILITIES

In accordance with Element 1.3 in the General Standards of Accreditation for Institutions with Residency Programs (which are the national set of standards maintained by the Canadian Residency Accreditation Consortium or CanRAC), the responsibilities of the postgraduate medical education committee include:

- Establishing the central policies of residency and AFC fellowship education;
- Establishing and maintaining appropriate liaison mechanisms with the directors of the integrated accredited residency and AFC fellowship programs and the administrators of affiliated sites;
- Conducting internal reviews of all accredited residency and AFC fellowship programs between accreditation surveys by the Royal College of Physicians and Surgeons of Canada (RCPSC) and the College of Family Physicians of Canada (CFPC);
- Ensuring appropriate distribution of the resources necessary for effective education in accredited residency and AFC fellowship programs;
- Establishing and maintaining an appeal mechanism for matters related to postgraduate medical education decisions;
- Ensuring a proper educational environment free of harassment and intimidation with mechanisms in place to deal with such issues as they arise;

- g. Ensuring that all accredited residency and AFC fellowship programs teach and evaluate the trainees' CanMEDS competencies as defined within the CanMEDS/CanMEDS-FM framework;
- h. Ensuring that there are adequate opportunities to access faculty development, including activities to assist faculty in teaching, evaluating, and mentoring residents' CanMEDS competencies as defined within the CanMEDS/CanMEDS-FM framework;
- i. Establishing policies to ensure reasonable measures are in place to maintain trainee safety and promote resident health and well-being;
- j. Prioritizing social accountability and helping build capacity within accredited residency and AFC fellowship programs to meet the needs of the population(s) served;
- k. Establishing and monitoring policies for the operation of standing subcommittees – PG Executive Subcommittee, Quota and Allocations of Training Positions Subcommittee, Internal Review Committee, Academic Review Board, and EDI Committee;
- l. Appointing ad hoc committees as necessary to explore specific issues and receive reports.

DEFINITIONS

Definitions are listed in the sequence they occur in the document (i.e. not alphabetical).

Any definitions listed in the following table apply to this document only with no implied or intended institution-wide use.	
General Standards of Accreditation for Institutions with Residency Programs	The General Standards of Accreditation for Institutions with Residency Programs are national standards that apply to the accreditation of institutions with residency programs. These standards are maintained by the Canadian Residency Accreditation Consortium which includes the Royal College of Physicians and Surgeons of Canada (RCPSC), College of Family Physicians of Canada (CFPC), and Collège des médecins du Québec (CMQ). The standards apply to faculties of medicine, postgraduate offices, and learning sites, written to provide a framework which aims to provide clarity of expectations, while maintaining flexibility for innovation.
Canadian Residency Accreditation Consortium or CanRAC	The Canadian Residency Accreditation Consortium is composed of the three residency education accrediting colleges in Canada: Royal College of Physicians and Surgeons of Canada (RCPSC), College of Family Physicians of Canada (CFPC) and Collège des médecins du Québec (CMQ).
Royal College of Physicians and Surgeons of Canada or RCPSC	The Royal College of Physicians and Surgeons of Canada is the national professional association that oversees the medical education of specialists in Canada.
College of Family Physicians of Canada or CFPC	The College of Family Physicians of Canada (CFPC) is the professional organization that establishes the standards for and accredits postgraduate family medicine training in Canada.
CanMEDS	CanMEDS is a framework that identifies and describes the abilities physicians require to effectively meet the health care needs of the people they serve. These abilities are grouped thematically under seven roles.
