

Creating a Stratocore PPMS Account

Stratocore PPMS is the online ordering, reservation and financial administration software for Faculty of Medicine & Dentistry (FoMD) Core Research Facilities: **Advanced Cell Exploration Core, Autoclave Repair Core, Cell Imaging Core (Katz), Cell Imaging Facility (Cross Cancer Institute), Flow Cytometry Facility, Lipidomics Core, Transgenic Core and Workshop.**

These instructions highlight the steps for internal and external users to set up a Stratocore PPMS account. **Users must have an account prior to being able to use the FoMD Core Research Facilities.**

If you require assistance, please contact Colleen Sunderland (Manager, Core Research Facilities) at colleen.sunderland@ualberta.ca or 780-492-0715.

Instructions for Internal (UofA) Users

Step 1: Request the creation of a MedID

Please note that the request for a MedID is normally made by your supervisor or HR department administrator.

1. Login to the [UofA Service Portal](#) and click on the **IST Service Catalogue**.
2. Under **Information Security**, complete the **Computer Accounts (Create, Remove, Modify details) "Create Account"** form. In the notes section please specify you are requesting a MedID with access to the PPMS Stratocore directory and access to the Cell Imaging and/or Flow Cytometry network drives, if applicable.

Already have a MedID? Please submit an [IT General Inquiry](#) requesting access to the PPMS Stratocore directory and the Cell Imaging or Flow Cytometry network drives, if applicable.

[Learn more about how to use the service portal](#). Questions about MedID creation, logging in or password resets should be directed to IST (780-492-8000).

Step 2: Create a PPMS Account

Following MedID account set-up and activation, go to <https://ppms.us/ualberta/start/>. A link to this page is also available from the [FoMD Core Services and Equipment Resources](#) website. Click on the core facility you would like to access. This will bring up the following screen:

Step 3:

Click on "user account creation request." This will bring up the following screen:

The screenshot shows the 'PPMS user account creation form' interface. At the top left is the University of Alberta logo. To its right is a dropdown menu labeled 'PPMS for the Lipidomics Core - LC'. Below this is a green navigation bar with links: Home, Account creation request (highlighted in yellow), Schedules, Statistics, and Logout. The main heading is 'PPMS user account creation form'. A paragraph lists facilities using PPMS accounts: Flow Cytometry Facility (FLOW), Cell Imaging Centre (CIC), Transgenic Core Facility (TCF), Autoclave Repair Core (ARC), High Content Analysis Core (HCAC), Lipidomics Core (LC), The Applied Genomics Core (TAGC), and Workshop (WORK). An 'Important:' section provides contact information for assistance: email: amoses@ualberta.ca, phone: 780-492-0000, and a link to instructions for forgotten passwords. Below this, a section titled 'Please choose one of the following options:' contains two radio buttons: 'Your institution is University of Alberta' (selected) and 'Your institution is NOT University of Alberta'. At the bottom, a green footer bar displays the Stratocore logo and 'PPMS release 13249'.

Step 4:

Click "Your institution is University of Alberta". That will bring you here:

The screenshot shows the Stratocore login page. On the left, there is a logo consisting of a blue and pink swirl. Below the logo is the text 'Stratocore'. A message says 'Please enter your MedID below.' followed by a label 'MedID:' and a text input field containing 'MedID'. A green 'Submit' button is below the input field. At the bottom left, there are two links: 'Forgot Password' and 'Restart Login'. The right side of the page features a large green background with a faint, stylized geometric pattern.

Step 5:

Log in with your **MedID** credentials. This will bring up the user account creation form:
